2018 3rd International Conference on  
Design, Materials and Manufacturing

Submission Deadline:  
Feb. 25, 2018

## Publication

Accepted papers of ICDMM 2018 will be published in volume of **Materials Science Forum** (ISSN:1662-9752), which indexed by **SCOPUS**, **Ei Compendex**, Chimica, Cambridge Scientific Abstracts, ProQuest, WorldCat, Google Scholar, etc.

The papers of ICDMM 2017 has been indexed by **Ei Compendex** and **Scopus** two months after the conference.

ICDMM 2018 is co-sponsored by University of the Ryukyus, Kyushu Branch of the Society of Materials Science, Japan and International Association of Computer Science and Information Technology.

## Topics and Scope

- (01) Materials behavior
- (02) Casting and solidification
- (03) Powder metallurgy and ceramic forming
- (04) Surface, subsurface, and interface phenomena
- (05) Coatings and surface engineering
- (06) Composite materials
- (07) Materials forming
- (08) Machining
- (09) Nanomaterials and nanomanufacturing
- (10) Biomedical manufacturing
- (11) Environmentally sustainable manufacturing processes and systems
- (12) Manufacturing process planning and scheduling
- (13) Meso/micro manufacturing equipment and processes
- (14) Modeling, analysis, and simulation of manufacturing processes

## Keynote Speakers

- Prof. Jesus Toribio, University of Salamanca, Spain  
Prof. Ömer Aydan, University of the Ryukyus, Japan  
Prof. Guanghsu Chang, Georgia Southern University, USA  
Prof. Nao-aki Noda, Kyushu Institute of Technology, Japan

## Venue

**University of the Ryukyus, Japan**  
Add.: 1 Senbaru, Nishihara-cho,  
Nakagami-gun, Okinawa, Japan
